**NZ Plastics
enabling other
NZ industries to
grow on the world market**

From the President

Ray Pryor
National President

On behalf of Plastics New Zealand it is my pleasure to invite you to the 68th Annual Plastics New Zealand Conference in Queenstown.

The Theme of this year's conference is 'Plastic - the Economic Enabler' – and links to the Government policies and plans for the development of the New Zealand Economy. Join us in Queenstown – NZ's winter and summer tourism mecca – to immerse yourself in the topical issues that face our Industry, expand your networks and business opportunities and share your vision for a vibrant Industry.

In line with changing times we have made some major changes to the way we present and run this event- we have made extra efforts to encourage Manufacturers to the event and this year we are aiming to attract 75 Manufacturers. We have introduced a substantial trade show, introduced more pricing options, special rates for affiliates, the sector group logistics have been updated and will now be called Industry Issues. We have introduced streaming with a Business Stream and Technical Stream and we are offering a \$2000 prize to one of the Manufacturers to ensure they visit all Supplier Trade Show Booths.

In addition to the formal part of the conference we have an informal Dinner on the Thursday, a formal Dinner and Entertainment on the Friday, a full Partners Programme over the time of the Conference and a Golf Tournament on the Wednesday before the Conference.

I would like to formally thank our Sponsors for their support which makes this event possible and we encourage all our Members to support our Sponsors.

We look forward to seeing you in Queenstown and sharing our 68th Annual Conference with you.

Benefits for the 2012 conference

Work to double the number of manufacturers attending

Trade show open to non Members

Trade Show of 30 exhibitors showcasing suppliers offerings to the Industry

More time for interaction at the AGM

Special approach to affiliates (50% discount)

\$2000 prize for visiting all trade booths

More flexible pricing options

Friday dinner off site and with entertainment

Thursday dinner in house without band (better for catching up)

Mid afternoon finish on Saturday

Business stream and Technical stream

Sector group logistics changed

Powerful relevant business stories

High quality presenters - all personally briefed to ensure they 'remain on subject'

Some of NZ's key Industries (Meat, Dairy, Aquaculture, Food, Agscience and Building) share their needs and expectations with us.

Energy efficiency ideas
